

Certificate of Completion

This document certifies

MARINE OPERATIONS CENTER - PACIFIC

Environmental Management System Self Declaration May, 2005
Self-Declaration is valid until May 2009

A team of independent auditors performed the assessment against these requirements:

Principles identified in the Code of Environmental Management
Standards described in ISO 14001.

2004 Goals provided by Executive Order 13148

Demonstrating our full commitment to environmental stewardship,
we strive for compliance to applicable environmental regulations,
prevention of pollution and continual improvement.

Reed E. Bl

Rear Admiral Richard R. Blum, NOAA
